

DOVIDOL — NON DRIP

OVERVIEW

Dovidol prevents dough pick-up and ensures a clean release from all surfaces with which dough comes into contact.

Dovidol is a clear bright pale yellow oil, manufactured from highly refined pure vegetable oils.

With anti-gumming/drying properties and eliminating the risk of tainting or unpleasant odours, Dovidol is the chosen release agent for bakers across the country.

USAGE

As Required

INGREDIENTS

Rapeseed Oil, Vegetable Oil and Fat

PACKAGING

Code	Size	Type	Palletisation
136300:	915kg net in bulk tank
