Ingredient
Kokomix
Water

KG
1.000
0.400

Total Weight: 1.400

METHOD

Koko Christmas Puddings

1. Mix Kokomix and water on second speed for 3 minutes, using a beater.
2. Leave mix to set a little for 10 minutes.
3. Shape mix into balls by piping, using an ice cream scoop or rolling by hand.
4. Bake for 20 - 25 minutes at 180°C (355°F).
5. Once cool, you can decorate.
6. Colour vanilla fudgice yellow for the custard on the puddings or use baker's chocolate.
7. Decorate with Pettinice holly leaves.
